I have dedicated the past 16 years to teaching history across IB, A-Level, and IGCSE curriculums. My expertise includes preparing students for challenging coursework and exams, with a focus on global perspectives in history. From dynastic politics to modern revolutions, I guide students through key themes and critical analysis.

My career spans teaching at international schools and private tutoring, where I've helped students develop a deep appreciation for historical studies. Beyond exams, I focus on fostering critical thinking and connecting historical narratives to contemporary global issues, ensuring students are well-rounded and prepared for academic success.
