🎓 Experienced Tutor | University of Toronto | MSc in Mathematics

I hold an MSc in Mathematics from the University of Toronto and a BSc in Applied Mathematics from McGill University. With 11 years of experience, I specialise in teaching IB Maths, A-Level Maths, and IGCSE Maths, helping students from diverse backgrounds achieve their academic goals.

Teaches: [IB Maths](#) [A-Level Maths](#) [IGCSE Maths](#) [GCSE Maths](#) [AP Calculus](#)

Curriculum: [IB](#) [A-Level](#) [GCSE](#) [IGCSE](#) [AP](#)

## Qualifications

**University of Toronto:** MSc in Mathematics (2014–2016)

**McGill University:** BSc in Applied Mathematics (2009–2013)

## Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the past 11 years, I've had the privilege of teaching students from various educational systems, including IB, A-Level, and IGCSE. My teaching journey began in Canada, where I focused on building strong mathematical foundations in both classroom settings and one-on-one tutoring sessions. This experience has equipped me with the skills to tailor my approach to meet each student's unique needs.

In addition to in-person tutoring, I transitioned to online teaching five years ago, which opened doors to teaching students from across the globe. This experience has been incredibly rewarding, allowing me to work with students in countries like Canada, the UK, and Singapore, helping them excel in IB and A-Level exams.

I am committed to providing comprehensive support in mathematics, whether it's guiding students through calculus, algebra, or helping them prepare for challenging exams. Many of my students have gone on to pursue higher education in top universities, a testament to the solid mathematical foundations they built during our sessions.
