Tutoring Experience

Over the past 18 years, I've had the privilege of working with students from various backgrounds, helping them prepare for IB English exams and improve their writing and comprehension skills. I focus on developing a deep understanding of texts, which has helped my students excel in IB English and A-Level English Literature.

In addition to my IB experience, I've also supported students preparing for IGCSE and GCSE English exams. My familiarity with these curricula ensures that students not only meet but exceed exam expectations. My tutoring sessions are personalised and tailored to each student's needs, making sure they stay motivated and engaged.

Throughout my career, I've also worked extensively with students preparing for IELTS, focusing on building confidence in both the academic and general modules. Many of my students have gone on to achieve high scores, furthering their education at prestigious universities worldwide.
